Community News & Dues

Jan 2024

2024 Dues are Owed

Dues are **\$10** for the 2024 calendar year. Your dues fund critical community benefits such as snow removal during the winter, yard sale advertising, our community website, newsletter mailings. We have **reduced the fee by 60%** due to great financial management and a reduction in costly snow events. Thank you and enjoy the savings!

Winter Storm Preparedness

Please remember to park all cars in driveways before a storm. We encourage those in cul-de-sacs to mark their driveway entrance with tall orange spikes to help our snow plow operator avoid depositing snow there.
