# Community News & Dues

Jan 2025

## 2025 Dues are Owed

Dues are **\$10** for the 2025 calendar year. Your dues fund critical community benefits such as snow removal during the winter, yard sale advertising, our community website, newsletter mailings. We are keeping the dues at this **reduced rate** for now. Thank you and enjoy the savings!

## Winter Storm Preparedness

Please remember to park all cars in driveways before a storm. We encourage those in cul-de-sacs to mark their driveway entrance with tall orange spikes to help our snow plow operator avoid depositing snow there.

## Stay Connected

Community meetings are held quarterly at the Holly Oak Methodist Church on Philadelphia Pike. The next meeting is Feb 3rd @ 7pm. Meeting schedules, finances, & more are posted on [gwinhurstde.com](http://gwinhurstde.com). Also, use our Facebook page to engage with your neighbors, post questions, or exchange goods.

## Road Reinvestment

We're working with our State Rep., Larry Lambert to maintain our streets. In 2024, the following repairs were completed:

- N. Park Ave – W. Holly Oak to Lincoln Ave
- W. Delaware Ave at Harrison Ave intersection

Larry has been spearheading the effort to get Prior Rd's ownership resolved. This is a legal process that is taking years to complete. Once it is legally owned by DelDOT, they will have the authority to repave it.
