2026 Dues Are Owed

Your dues fund critical community benefits such as snow removal during the winter, yard sale advertising, our community website, newsletter mailings. We are keeping the dues at this reduced rate for now.

Winter Storm Preparedness

Please remember to park all cars in driveways before a storm. We encourage those in cul-de-sacs to mark their driveway entrance with tall orange spikes to help our snow plow operator avoid depositing snow there.

Stay Connected

Community meetings are held quarterly at the Holly Oak Methodist Church on Philadelphia Pike. The next meeting is Feb 2nd @ 7pm. Meeting schedules, finances, & more are posted on gwinhurstde.com. Also, use our Facebook page to engage with your neighbors, post questions, or exchange goods.

Road Reinvestment

In 2025, in partnership with State Rep. Larry Lambert, the following repairs were completed: PRIOR RD.

This road runs from Silverside to Top of the Hill apartments Ownership of the road was finally determined to be Top of the Hill apts. No public dollars were spent to repair it. A public pressure campaign resulted in the company that owns the apts to **finally** repave this road. Thank you Rep. Lambert!
